*Please note that there was a voting irregularity in the Firefighter's Retirement Plan Board Election, as Firefighter John Loomis cast an ineligible vote. Consistent with the way PERC conducts its elections, Pension counsel Jim Linn advised that the election should be deemed valid as the ineligible vote would not have made a difference in the outcome of the election results. Firefighter's Retirement Plan Board Chairman George Farrell was immediately notified of the circumstances surrounding the error.

The bolded names are declared to have received the most votes and are elected to their respective boards. The name in italics is the board's alternate member.
