
Board of Trustees

PLAN ADMINISTRATION

While the Plan is administered by the Board of Trustees, the Plan engages the services of accountants, attorneys, actuaries, investment managers and performance monitors to advise it. The Plan has engaged the services of David Williams to handle the day-to-day business of the Plan. If you have any questions regarding your benefits, you may contact:

David M. Williams, Plan Administrator

CITY OF SUNRISE POLICE OFFICERS' RETIREMENT PLAN

Tier 2

QUICK REFERENCE SUMMARY

“Tier 2” applies to all sworn members hired after September 30, 2015. This is just a short summary. A more detailed summary is provided to you in your Summary Plan Description. You should consult the Plan Documents and Plan Administrator for further information.

PLAN TERMS

Membership: Each person employed by the City of Sunrise Police Department as a full-time sworn Police Officer becomes a member of the Plan as a condition of his employment. **Tier 2 is applicable to all members hired on or after September 30, 2015.**

Credited Service: This is the amount equal to your total length of service.

Average Final Compensation (AFC): This is the average of your salary during your five highest consecutive years of your last ten years of contributing service

Salary: This is your total actual fixed cash compensation paid yearly by the City for services rendered. This includes regular pay, holiday, and other payroll cash incentives and general monthly expense allowances. It does not include overtime or lump sum payouts of accrued benefits upon termination, auto allowances, uniform allowances, mileage and travel reimbursements and income from private details. You will contribute 8% of your annual salary to the Plan.

Vested: You are vested when you have completed ten years of full time employee contributions.

Normal Retirement Age (NRA): Reaching age 55 with ten years of service or reaching age 52 with twenty five years of service.

Early Retirement Age (ERA): Reaching age 50 with ten years of service. Your benefit will be reduced by 3% for each year prior to normal retirement age.

Supplemental Benefit or Cost of Living Adjustment: There is benefit through the pension plan.

Beneficiary Form: It is very important that you designate a beneficiary and should consider doing it upon becoming a member of the Plan. You may change your beneficiary at any time prior to retirement and may change your beneficiary up to two times after retirement without approval of the Board of Trustees for the Plan.

PLAN TERMS - CON'T

Disability Retirement: You are considered disabled when you become totally and permanently unable to perform useful and efficient service as a Police Officer. You must submit an application for a disability retirement to the Board of Trustees who will determine your eligibility.

FORMS OF RETIREMENT BENEFITS

Your Retirement Benefit is determined by multiplying your Average Final Compensation times your Credited Service times a multiplier. Please consult your Summary Plan Description for what multipliers apply.

The normal form of benefit is paid to you for your life, with 120 payments guaranteed.

You may elect an optional form of benefit:

Single Life Annuity

Joint and Survivor with 100%, 75%, 66 2/3% or 50% benefit

Joint and Survivor with 100%, 75%, 66 2/3% or 50% benefit with a pop-up which means if your beneficiary dies before you begin receiving benefits your benefit will revert to a single life annuity

MISCELLANEOUS

If you get divorced, payment of your benefits may be subject to an income deduction order made pursuant to Florida Statutes, Sec. 61.1301. This Plan does not accept Qualified Domestic Relations Orders.

Your benefits may be subjected to forfeiture if you are convicted of certain felonies pursuant to Florida Statutes, Sec. 112.3173.

DROP

This stands for Deferred Retirement Option Plan and is an option which allows you to receive a portion of your retirement benefit in a lump sum.

You may make a one-time, irrevocable election to enter DROP at any time after you have reached your Normal Retirement Age.

You must terminate employment at the end of your DROP period. Your DROP period is a maximum of 4 years and you must elect to enter DROP within 6 months of reaching normal retirement age. The interest rate earned by the DROP is 0% until the pension plan is fully funded and then it will earn the actual plan return with a minimum of 0% and a maximum of 4%.

Within 30 days prior to the end of your DROP period or termination, you must request a distribution or rollover. If you choose to receive a distribution of all or a portion of your DROP account, the plan is required to withhold 20% for federal taxes. If you are not age 59 ½ and choose to have all or a portion of your DROP account distributed directly to you from our Plan, you may be subject to an additional 10% withholding penalty. If you choose to have some or all of your DROP account rolled into a qualified plan and you choose to receive a distribution from *that plan* prior to reaching age 59 ½, you may also be subject to substantial tax withholding.

****This is general information only, it is not to be relied upon or used as a substitute for tax advice from a qualified professional. You will receive a special tax notice pursuant to IRS Notice 2002-3 because you may be subject to federal taxes. We recommend that you consult a financial and/or tax advisor.**
